

## **Dexter + Chaney Recognizes the ASADV's Support of Michael's Way Charity**

Thanks to H.B. Frazer Company and the ASADV, we are proud to have the opportunity to sponsor this ad for the ASADV's 3rd Annual Wine Tasting and Auction — and contribute to Michael's Way.

Dexter + Chaney has been providing cutting edge construction management software since 1981. Here's what H.B. Frazer has to say about us:

*"Since implementing Dexter + Chaney's Forefront® Construction Management Software, we've grown 50%, added two offices, and reduced both accounting and project management staff. My top three reasons for choosing Forefront? Integration, integration, integration. All of our information flows together. That makes life so much easier."*
